

MLC Wrap and Navigator win Number One Platform

05/05/2011

MLC Wrap and Navigator have been awarded Number One Platform in the 2010 Investment Trends Annual Platform Benchmarking Report. This is the second year in a row MLC's Navigator platform has received this award. MLC Wrap and Navigator also maintained the number one ranking for the individual categories of transactions and integration, and received a Platform Excellence award for integrated functionality.

The report cited MLC Wrap and Navigator as having outstanding transactions, integrated functionality, and decision support which earned it the highest overall rating for full function platforms.

Michael Clancy, Executive General Manager of Investment Platforms for MLC & NAB Wealth, said, "We are delighted to be recognised again for the strength of our Navigator platform and for our innovation in developing the new MLC Wrap platform.

"This award highlights our ongoing commitment to keeping Navigator at the forefront of the platform market. Both MLC Wrap and Navigator combine sophisticated technology, an extensive investment menu and a range of product features and flexible adviser fee options making them the most feature packed platforms on the market."

Investment Trends highlighted MLC Wrap and Navigator's enhancements this year including:

- Brand new n-link interface
- Model portfolio functionality
- Comprehensive end-to-end self managed superannuation administration service
- My Client Leads, a superior relationship management tool
- Broad range of adviser service fee options
- Group Accounts, enhanced functionality to help drive adviser productivity
- Online corporate actions processing
- Enhanced tax management capabilities

MLC Wrap and Navigator have a combined FUA of \$14.5billion as at 30 April 2011.
